Accepted Forms of Payment:

MasterCard, Visa, American Express, Discover, checks or money orders in U.S. dollars drawn on a U.S. bank made payable to the Society for Neuroscience, and cash (on-site only).

Note: Single day registration is not available.

Place Your Registration on Hold for Organization/Company Payment

The Registration on Hold option is available for online credit card payments only. Individuals who require their organization/company to pay for their registration may select this option. You may start the registration process and select the

"Registration on Hold" option. This will allow you to place your registration on hold until SfN receives payment. An email will be sent to you and the payer with a link allowing the payer to pay for the registration.

For the advance registration fee to apply, payment must be received by the advance registration deadline: Wednesday, October 2, 11:59 p.m. EDT. After this date, higher registration fees will apply.

Note: Your registration is not complete until SfN receives payment, and housing reservation access will not be permitted until payment has been made.

Printed Programs

All Neuroscience 2019 program information will be accessible free of charge via the Neuroscience 2019 mobile app, Neuroscience Meeting Planner (NMP), and on www.sfn.org. Printed copies of the General Information book and *Exhibit Guide* will be available at no cost.

Note: No refunds will be issued for program purchases after Wednesday, October 2.

Code of Conduct

If attendees experience unwelcome or unsafe situations anywhere in the city, attendees should swiftly contact local authorities (dial 9-1-1). Additional local social services resources are listed in one convenient location at the federal website www.changingourcampus.org.

Any official report of a violation of the code of conduct should be brought to the designated Human Resources Officer in

the SfN headquarters office in the convention center or sent via email to hrofficer@sfn.org. The HR Officer will facilitate the completion of a report by a complainant.

For more information on SfN's policy, please go to: www.sfn.org/codeofconduct.

Visa Information

If you are from a nation participating in the Visa Waiver Program, review U.S. travel regulations early to ensure compliance. For more information and to request an official invitation letter, visit www.SfN.org/visainfo.

Hotel Information

Housing for advance registered members who renewed by Jan. 31, 2019, opens at noon EDT on July 9; for all other members at noon EDT on July 10; and for advance nonmembers at noon EDT on July 16. Housing is open through September 20.

▶ Reservations can be made online or by phone, fax, or mail. Online hotel reservations are encouraged and will be given priority. Reservations are not accepted directly by participating hotels or SfN headquarters.

▶ Marriott Marquis Chicago and Hyatt Regency McCormick Place are the official co-headquarters hotels.

Reservation Policies and Procedures

▶ To make a hotel reservation through SfN Housing, you must be registered for Neuroscience 2019. Only one hotel room may be reserved per paid registrant until August 19.

▶ Upon registering, each attendee will receive a unique registration confirmation number that is required to make a hotel reservation. Reservations must be guaranteed with a valid credit card or check deposit.

▶ SfN Housing will make your reservation based on your requests; however, special requests cannot be guaranteed. It is the attendee's responsibility to reconfirm requests directly with the assigned hotel prior to arrival.

▶ A limited number of lower-priced hotel rooms have been set aside through August 26 for students and member category I, II, and III registrants.

▶ Housing for exhibitors opens July 23. For exhibitor hotel reservation information, visit www.SfN.org/exhibits.

▶ You may change or cancel hotel reservations until 9 p.m. EDT on September 20.

▶ Avoid housing and registration scams. Convention Management Resources (CMR) is the official housing company. Convention Data Services (CDS) is the official registration company. Visit www.sfn.org/avoidscams for more information.

On-Site Attendee Resources

Child care services, infant care facilities, scooter/wheelchair rentals, a prayer room, American Sign Language translations, and real-time captioning of lectures will be offered during Neuroscience 2019. For additional information, visit www.SfN.org/attendeeresources. If you have a disability or a special need that may affect your participation in the annual meeting, or if you have questions regarding attendee resources, contact meetings@sfn.org.

NAVIGATING CHICAGO

Complimentary SfN Shuttle Service

With shuttle bus service operating every 10 minutes during peak time and 20 minutes during off-peak time, you can conveniently travel between your official SfN meeting hotel and the convention center. For Neuroscience 2019, SfN offers a fleet of shuttle buses dedicated to your travel. With the exception of hotels within walking distance of McCormick Place, shuttle service will be available to all SfN contracted hotels. In addition, because of Chicago's commitment to successful large meetings, some shuttles operate on a dedicated travel-free "busway" from downtown to McCormick Place.

Public Transportation

Chicago offers two options for public transportation: Metra (the commuter train system) and CTA (the "L" light rail system). Metra, with stops within walking distance to many of the SfN-contracted hotel rooms, has a stop inside McCormick Place. SfN has contracted with Metra to provide additional train service for Neuroscience 2019. Free Metra passes will be available to all attendees. If you opt to take the L, also convenient to many Neuroscience 2019 hotels, the Cermak - McCormick Place station (Green line) is the closest CTA stop to McCormick Place. SfN will provide a complimentary shuttle service between the Roosevelt station (Red, Green, and Orange lines) and McCormick Place.

Taxis

With more than 6,500 vehicles, Chicago has the second largest taxi fleet in the country. Discounted shared rides are available between McCormick Place and downtown. In addition, a taxi dispatch center is located within McCormick Place to ensure cabs are readily available to meet demand.

SCIENCE KNOWS NO BORDERS

Science Knows No Borders

In keeping with the Society's commitment to facilitate global collaboration in science, SfN has established the Science Knows No Borders (SKNB) program. The program will allow scientists denied U.S. travel visas to present their research and engage with colleagues at Neuroscience 2019 through poster and nanosymposia sessions.
