

Welcome

To Washington, DC

The Society for Neuroscience

38th Annual Meeting

November 15 - 19, 2008

As Mayor of the District of Columbia, it is my pleasure to extend a warm welcome to the Society for Neuroscience to Washington, DC, on the occasion of your 38th Annual Meeting.

This event brings together scientists and physicians to discuss issues of concern regarding the study of the brain and nervous system. As you gather to reflect on your past accomplishments, I invite you to eat in our restaurants, visit our monuments, museums and diverse neighborhoods. We are honored to have you visit the District of Columbia and invite you to join our campaign for full voting rights in the U.S. Congress.

On behalf of the residents of the District of Columbia, you have my best wishes for a productive and memorable event.

Adrian M. Fenty
Mayor, District of Columbia
