

# Continuing Medical Education

Stay up to date at  
[www.sfn.org/cme](http://www.sfn.org/cme)

The Society for Neuroscience annual meeting is a forum for the education of physicians in the field of neuroscience. By attending lectures, symposia, and minisymposia, the physician will receive both a broad overview of the field and information about the most recent, detailed research in the topic of the session. The abstract of each plenary or specific session contains brief descriptions of the material to be presented. By attending any of the activities, the physician will better understand the basic science that underlies clinical practice.

## Statement of Need

It is important that physicians comprehend the basic science that underlies clinical medicine. The Society for Neuroscience annual meeting is the premier venue for this educational opportunity. Physicians learn about the most up-to-date, cutting-edge discoveries regarding the nervous system.

## Global Learning Objective

Given a patient with a neurological or psychiatric condition, physicians will integrate the most up-to-date information and research on the mechanism, treatment, and diagnosis of conditions related to neurological and psychiatric disorders into their diagnostic and therapeutic modalities of practice in order to determine the best course of action in treating the patient.

## Accreditation

The Society for Neuroscience is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## Credit Designation Per Session

**Symposia** — The Society for Neuroscience designates this educational activity for a maximum of *2.5 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Minisymposia** — The Society for Neuroscience designates this educational activity for a maximum of *2.5 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Albert and Ellen Grass Lecture** — The Society for Neuroscience designates this educational activity for a maximum of *1.25 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Presidential Special Lectures** — The Society for Neuroscience designates this educational activity for a maximum of *1.25 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Special Lectures** — The Society for Neuroscience designates this educational activity for a maximum of *1.25 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Fred Kavli Distinguished International Scientist Lecture** — The Society for Neuroscience designates this educational activity for a maximum of *1.25 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

A meeting attendee seeking CME credit may use a combination of the previously mentioned activities described above to gain a maximum of *36 AMA PRA Category 1 Credits™*. For those registering prior to the meeting, a processing fee of \$60 is charged in addition to the meeting registration fee. The on-site processing fee for CME is \$75. Purchase orders will not be accepted as payment. To register for CME credits in advance, check the appropriate box on the Annual Meeting Registration form and include the CME processing fee.

## CME Registration

CME registration must be completed before or during the annual meeting. Those who do not register at these times will not receive the necessary documentation should they request it after the meeting. CME registrants will receive, via e-mail two weeks before the meeting, the CME Supplemental Program, which contains important information regarding the CME program, including disclosure information and instructions for obtaining a certificate of credit.
