

Next Generation Award

Pre- or Postdoctoral/Jr Faculty Nominator Information

The following questions should be answered by the nominator and then combined with the answers and materials provided by the nominee(s) to form a single document, which may then be submitted via SfN's nomination site.

- 1.) Please describe the need(s) met by the nominee's activity and whether the activity produced a lasting effect.
- 2.) Were any neuroscience education materials generated to complement this activity? If so, please describe how they were effective?
- 3.) Please describe the chapter's involvement in implementing the activity, if any.
- 4.) How was the activity received among the nominee's colleagues and the community?
- 5.) Will this activity continue into the future?

Nomination forms must be received by the SfN Headquarters Office no later than **June 22, 2009**.
Please return all materials to awards@sfn.org.
