

# Neuroscience Programs and Award Support Opportunities

Neuroscience  
2015

SOCIETY *for*  
NEUROSCIENCE

Support of neuroscience programs and awards is a strong demonstration of your commitment to advancing the field and provides your organization with valuable exposure to an international audience of colleagues.

Benefits of support may include acknowledgement in the *Preliminary Program* and *Program*, on SfN.org, and signage throughout the convention center during the annual meeting, as well as verbal recognition at applicable events. For additional potential benefits, contact Grants and Development.

## LECTURES

---

### **Presidential Special Lecture: \$25,000/each** **ACCME-Accredited**

The highlight of the annual meeting, the Presidential Special Lecture Series is selected by the SfN president for outstanding merit and importance neuroscience.

### **Special Lecture: \$15,000/each** **ACCME-Accredited**

A series of high-profile lectures each representing a neuroscience theme.

### **Scientific Symposium: \$15,000**

Empirical approaches to neuroscience and society are presented.

## EDUCATIONAL COURSES

---

Trains scientists in day-long courses focused on emerging topics and research techniques.

### **Short Course: \$10,000/each** **Exclusive Support: \$25,000**

## POSTER SESSIONS

---

Provides trainees the opportunity to present their research and make lasting connections with established neuroscientists.

### **International Fellows Poster Session: \$10,000** **Diversity Fellows Poster Session: \$10,000** **Trainee Professional Development Awards** **Poster Session: \$10,000** **Exclusive Support: \$25,000**

## MEET-THE-EXPERT SERIES

---

Experts describe their research techniques and accomplishments in a personal context.

### **Individual Sessions: \$2,000** **Three Sessions: \$5,000** **Exclusive support of all sessions: \$20,000**

## MENTORING & NETWORKING EVENTS

Celebrates the achievements of neuroscience communities and offers attendees networking opportunities.

**Diversity Reception: \$10,000**

**Brain Awareness Week Campaign**

**Reception: \$10,000**

**Graduate Student and Postdoc Fellow**

**Reception: \$10,000**

**Celebration of Women in Neuroscience**

**Luncheon: \$10,000**

**Mentoring and Networking Event: \$10,000**

Neuroscientists lead discussions on a wide range of topics, including work-life balance, career transitions, and others in an informal, roundtable format.

**Diversity Fellowship Mentor and Fellow**

**Breakfast: \$10,000**

SfN's Professional Development Committee members, and National Institutes of Health program officers lead discussions with fellows on their scientific progress and career goals.

## DISCUSSIONS

**Social Issues Roundtable: \$7,000**

Covers timely social issues of neuroscience topics that have an impact on society, particularly in terms of ethics or social awareness.

**Animals in Research Panel: \$7,000**

Panel of experts discuss recent topics on the responsible use of animals in research.

## PROFESSIONAL DEVELOPMENT WORKSHOPS

Designed to improve various aspects of professional skills at all career stages.

**Individual Workshops: \$2,000**

**Three Workshops: \$5,000**

**Exclusive support of all workshops: \$20,000**

## AWARDS

**Ralph W. Gerard Prize in Neuroscience: \$50,000**

Highest recognition conferred by SfN to a scientist who made significant contributions in neuroscience during his or her career.

**Young Investigator Award: \$25,000**

Recognizes a young neuroscientist who demonstrated scholarly independence and distinguished research.

**Science Educator Award: \$10,000**

Honors two outstanding neuroscientists who have made significant contributions to educating the public about neuroscience.

**Mika Salpeter Lifetime**

**Achievement Award: \$10,000**

Recognizes an individual who promoted the advancement of women in neuroscience.

**Trainee Professional Development Award:**

**Sponsorships range from \$1,000–\$50,000**

Presented to deserving young scientists who demonstrate scientific merit and excellence in their research.

For information on joining SfN's community of supporters contact  
Grants & Development at [development@sfn.org](mailto:development@sfn.org) or (202) 962-4000.

Program support maximizes  
your impact and exposure at  
Neuroscience 2015. Contact  
the SfN development team to  
join our community of annual  
meeting supporters.
