

Clinician-Scientists and Continuing Medical Education (CME)

Clinical Neuroscience Content at Neuroscience 2015

Recognizing the value of basic discovery and its application to curing disease, SfN has always served clinician-scientists, and is continuing that focus now more than ever. Neuroscience 2015 will feature the Clinical Neuroscience Lecture, designed to offer the clinician-scientist perspective about a particular disease or disorder (p.14). SfN will also provide a clinical neuroscience curated itinerary highlighting sessions that focus on translational research. Clinician-scientist attendees can take advantage of select programming while earning Continuing Medical Education (CME) credits. Remember to sign up for the SfN CME Program during registration or on-site at the meeting.

The Society for Neuroscience (SfN) annual meeting is a forum for the education of physicians in the field of neuroscience. By attending lectures, symposia, and minisymposia, physicians will receive both a broad overview of the field and information about the most recent, detailed research on the topic of the session. The abstract of each plenary session contains a brief description of the material to be presented. By attending any of the activities, physicians will better understand the basic science that underlies clinical practice.

Statement of Need

It is important that physicians comprehend the basic science that underlies clinical medicine. The SfN annual meeting is the premier venue for this educational opportunity. Physicians learn about the most up-to-date, cutting-edge discoveries regarding the nervous system.

Global Learning Objective

Given a patient with a neurological or psychiatric condition, physicians will integrate the most up-to-date information and research about the mechanism, treatment, and diagnosis of conditions related to neurological and psychiatric disorders into their diagnostic and therapeutic modalities of practices in order to determine the best course of action in treating the patient.

Accreditation

The SfN is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation by Format

Symposium

SfN designates this live activity for a maximum of 2.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Minisymposium

SfN designates this live activity for a maximum of 2.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Albert and Ellen Grass Lecture

SfN designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Presidential Special Lecture

SfN designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Special Lecture

SfN designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

A meeting attendee seeking Continuing Medical Education (CME) credit may use a combination of the activities described above to gain a maximum of 35.25 *AMA PRA Category 1 Credits*[™].

Feature Clinical Content at Neuroscience 2015

- Clinical Neuroscience Lecture: Neurotrophin Signaling and Epileptogenesis: Mechanistic and Therapeutic Insights by James O. McNamara, MD; Sunday, Oct. 18, 11:30 a.m.–12:40 p.m. (p.14)
- Curated itinerary geared toward clinicians (available in the Neuroscience Meeting Planner and meeting mobile app)
- Clinical Neuroscience Social (p.30)

CME Registration

CME registration must be completed before or during the annual meeting. An on-site processing fee of \$100 is charged in addition to the meeting registration fee. Purchase orders will not be accepted as payment. To register for CME, check the appropriate box on the annual meeting registration form and include the CME processing fee.

Those who do not register at these times will not receive the necessary documentation and it cannot be provided after the meeting. CME registrants will receive, via email two weeks before the meeting, the CME Supplemental Program, which contains important information regarding the CME program, including disclosure information and instructions for obtaining a CME certificate.

CME Credit for Exhibitors

Exhibitors with medical degrees can earn *AMA PRA Category 1 Credits*[™] by registering for the CME program and attending lectures, symposia, and minisymposia. Call Convention Data Services at (888) 736-6690 or (508) 743-8563 to add CME to your exhibitor registration.
