

### 2020-2022 Neuroscience Scholars Program Fellows (18 Total)

Fellow Name	Institution
Caitlin Aamodt	University of California, Los Angeles
Asad Beck	University of Washington
Thomas Burnett	Johns Hopkins University
Tia Donaldson	University of New Mexico
Angeline Dukes	University of California, Irvine
Theresa Logan-Garbisch	Stanford University
Aqilah McCane, PhD	Oregon Health & Science University
Goldie McQuaid, PhD	George Mason University
George Melchor	Georgetown University
John Ortiz, PhD	University of Arizona, Phoenix
Thibaut Pardo-Garcia	University of Michigan, Ann Arbor
Maribel Patino	University of California, San Diego
Keith Perkins	Rutgers University
Joseph Del Rosario	Georgia Institute of Technology
Michael Rosario	Boston University
Nicole Schartz, PhD	University of California, Irvine
Heather Snell, PhD	Albert Einstein College of Medicine
Athena Willis	Gallaudet University

**2020-2022 Neuroscience Scholars Program Associates (105 Total)**

<b>Associate Name</b>	<b>Institution</b>
Sena Agezo	Emory University
Katherine Andersh	University of Rochester
Isle Bastille	Harvard University
Valentina Botero	Scripps Research
Salvador Brito	Harvard University
Bobbie Brown	Washington University, St. Louis
Julianna Brutman	Washington State University
Gabriela Carrillo	Virginia Tech
Noele Certain	Stony Brook University
Janay Clytus	University of South Carolina
Alberto Corona	Cold Spring Harbor Laboratory
Maureen Cowan	University of Virginia
Ivelisse Cruz-Torres, PhD	University of Massachusetts
Adriana Cushnie	University of Minnesota, Twin Cities
Caitlin Daimon	Colorado State University
Nella Delva	Florida State University
Jermon Drake	University of Pittsburgh
Melise Edwards	University of Massachusetts, Amherst
Mona Elsayed	Rutgers University
Kim Engeln	Oregon Health & Science University
Daniel Eskenazi, PhD	Columbia University
Mitchell Farrell	University of California, Irvine
Sinda Fekir	Brown University
Makayla Freitas	Oregon Health & Science University
Franklin Garcia, PhD	University of California, Irvine
Joshua Garcia	The University of Colorado Anschutz Medical Campus
Prescilla Garcia-Trevizo	Pennsylvania State University
Brianna George	Wake Forest University
Jay Gill	University of California, Los Angeles
Daniel Gonzales, PhD	Purdue University
Kathryn Graves	Yale University
Matteo Grudny	University of Florida
Ava Gurba	Stony Brook University
Cellas Hayes	University of Mississippi
James Hentig	University of Notre Dame

**2020-2022 Neuroscience Scholars Program Associates Continued (105 Total)**

<b>Associate Name</b>	<b>Institution</b>
Maribel Hernández	Indiana University–Purdue University Indianapolis
Angelica Herrera	University of Pittsburgh
Kylie Huckleberry, PhD	Northeastern University
Alesa Hughson	Michigan State University
Amanda Iglesias	University of Michigan
Daniela Jimenez-Harrison	Ohio State University
Sarà King, PhD	Oregon Health & Science University
Christopher Knapp	Rowan University
Kalin Konrad	University of Delaware
Lauren Kupis	University of Miami
Alexius Lampkin	University of Wisconsin, Madison
Kawasi Lett, PhD	Cornell University
Lakeisha Lewter, PhD	Duquesne University
Mirella Hernandez Lima	University of Michigan
Sergio Dominguez Lopez, PhD	Oklahoma Medical Research Foundation
Tanisha London	University of Southern California
Arena Manning	University of Washington, Seattle
Carmen Marable	University of North Carolina, Chapel Hill
Johan Martinez-Fuentes	Boston University
Lauren McLester-Davis	Tulane University
Roy McReynolds III	University of California, Los Angeles
Brenda Milla	University of Connecticut
Stephanie Miller, PhD	Gladstone Institutes (UCSF)
Angelica Minier-Toribio	Icahn School of Medicine at Mount Sinai
Janelle Miranda	New York University
Jordan Moore	The Ohio State University
Joshua Moore	William Marsh Rice University
Gabriel Nah	Indiana University
David Narvaiz	Baylor University
Kehinde Ogunseye	University of Texas, Galveston
Laura Ornelas, PhD	University of North Carolina, Chapel Hill
Richard Ortiz	University of Texas, El Paso
Rebecca Parodi-Rullan, PhD	Temple University
Katherine Parra	State University of New York, Albany
Emily Peck	Wake Forest University

**2020-2022 Neuroscience Scholars Program Associates Continued (105 Total)**

<b>Associate Name</b>	<b>Institution</b>
Patricio Viera Perez	Florida International University
Roberto Perez	University of California, Riverside
Xiomara Perez	Rutgers University
Marco Pipoly	University of Iowa
Ivette Planell-Mendez	Princeton University
Celina Pluim	Boston University
Demisha Porter	Virginia Tech
Sharena Rice	University of Michigan
Gabriela Rodríguez-Morales	Boston University
Valeria De La Rosa-Reyes	University of Puerto Rico, Medical Sciences Campus
Natasha M. dela Rosa Rivera	University of Massachusetts, Amherst
Elda Rueda, PhD	Baylor College of Medicine
Melanie Schaffler	University of Pennsylvania
Joyce Teixeira da Silva, PhD	University of Maryland, Baltimore
Roberto Morales Silva	Ponce Health Science University
Serena-Kaye K.C. Sims, PhD	Medical University of South Carolina
Jordan Skully	Wayne State University
Crystal Smith	Medical University of South Carolina
Kiandra Smith	Morehouse School of Medicine
Sierra Smith	Oregon Health & Science University
Elizabeth Sneddon-Yopez	Miami University
Michelle Stackmann	Columbia University
Joshua Taliaferro	Columbia University
Maria Tickerhoof	University of Kansas
Andre Toussaint	Temple University
Zachary Travis	Loma Linda University
Pamela Del Valle	Icahn School of Medicine at Mount Sinai
Lee Vaasjo	Tulane University
Phoebe Valdes	University of California, San Diego
Adriana Vasquez	University of Texas, Austin
Zoe Villamar	Northwestern University
Najah Walton	Tufts University
Christina Watts	Kent State University
Jamal Williams	Princeton University
Isis Wyche	Johns Hopkins University
