Any public space where other people are present holds an inherent risk of exposure to COVID-19 and other communicable diseases. By attending Neuroscience 2021, I agree to voluntarily assume all risk related to exposure and agree to not hold the Society for Neuroscience (SfN) or any of their affiliates including directors, officers, employees, or volunteers liable for illness. Society for Neuroscience (SfN) will operate Neuroscience 2021 in accordance with official federal and state government and local authority rules, following CDC guidelines and any additional venue or location-specific rules designed to mitigate the spread and contraction of COVID-19. Attendees are encouraged to familiarize themselves with all local, national, and international guidelines, including the requirements of their home jurisdiction for their return trip. By registering and attending the Event, I agree to follow all enforced behavior requirements and protocols and follow requests of SfN and the venue while on the premises and at Neuroscience 2021 in regard to COVID-19 mitigation.

SfN is committed to supporting discovery and scientific dialogue, and to fostering a welcoming community in which all scientists are able to contribute fully. The Society asserts that sexual harassment and other harassing behaviors have no place in a healthy scientific enterprise. We expect all attendees, media, speakers, volunteers, organizers, venue staff, guests, and exhibitors at SfN-organized events to help us ensure a safe and positive environment. At the convention center, onsite medical and security personnel are available directly or through the SfN headquarters office.

If attendees experience unwelcome or unsafe situations anywhere in the city, attendees should swiftly contact local authorities (dial 9-1-1), and additional local social services resources are listed in one convenient location at the federally-endorsed website ChangingOurCampus.org. Any official report of sexual harassment should be brought to the designated Human Resources Officer in the SfN headquarters office at each meeting convention center, or sent via email to hrofficer@sfn.org. The HR Officer will facilitate the completion of a report by a complainant. View the entire Code of Conduct at SfN Events statement for more information.

By registering for Neuroscience 2021 or its associated events, I understand that SfN has permission to photograph, video, or otherwise capture the images of me and my guests, and to make audio and video recordings of me and my guests.

I further understand that SfN and its representatives have the right to reproduce, use, exhibit, display, broadcast and distribute, and create derivative works of these images and recordings in any media now known or later developed as well for promoting, publicizing, or explaining SfN and its activities and for administrative, educational or research purposes. I acknowledge that SfN owns all rights to the images and recordings.
