Should the Hotel find itself in a “walk situation,” it must first notify SfN and SfN’s designated housing bureau agent so that measures may be taken to protect SfN VIPs and Meeting attendees. “Walking” terms shall apply to relocation of guests who were previously guaranteed a room, whether in a pre-walk situation prior to the actual Meeting or in a walk situation occurring over the Meeting dates. Hotel guests who are not part of the SfN official room block will be the first to be relocated prior to the relocation of any SfN guests. If relocation of SfN Meeting attendees is inevitable, the Hotel will provide the following arrangements:

The Hotel will accommodate the guest for the remainder of the Meeting at the negotiated the SfN Meeting Rate.
4. If the Hotel is unable to accommodate the guest for the remainder of the Meeting, the

Hotel will provide the following arrangements. If, however, the relocated guest chooses to remain at the alternate hotel, then the following concession will be null and void.

- a. Hotel agrees to pay the alternate hotel directly for the difference in room rate and tax between the Hotel's confirmed SfN rate and tax and the room rate and tax charged by the alternate hotel. Hotel will work directly with the alternate hotel to set up a separate folio to which the rate differential will be charged.
  - b. Pay all fees the guest incurs for transportation for all Meeting events during the hours that the SfN shuttle operates, if the reassigned hotel is not an official SfN hotel on the shuttle route.
5. Any rooms walked will be included in the count for complimentary room credits. The Hotel agrees to pay to SfN's designated housing bureau agent one night's housing service fee and shuttle rebate to SfN for each guest relocation whereby the Hotel pays room and tax for alternate hotel accommodations unless the hotel that the guest was relocated to is part of the contracted SfN room block and the relocated guest is included in final housing data by the hotel.
