This section is an acknowledgement and express assumption of risk and release of liability in any way related to me/my Child being exposed to or contracting COVID-19 (as defined by the World Health Organization) and any strains, variants, or mutations thereof, the coronavirus that causes COVID-19 and/or any other communicable and/or infectious diseases, viruses, bacteria or illnesses or the causes thereof (collectively, "Communicable Disease"), during or in connection with my/my Child's presence in and around the children's program. By being present in and around the children's program, I acknowledge and expressly assume the risk that I/my Child may be exposed to Communicable Disease. I expressly understand that the risks of exposure to Communicable Disease include contracting Communicable Disease and the associated dangers, medical complications (including death) and physical and mental injuries, both foreseen and unforeseen, that may result from contracting Communicable Disease. I further acknowledge and understand that my/my Child's interaction with KiddieCorp or Provider personnel, the children's program participants and any other individuals present in and around the children's program poses an elevated, inherent risk of being exposed to and contracting Communicable Disease, that it cannot be guaranteed that I/my Child will not be exposed to Communicable Disease, and that potential exposure to or contraction of Communicable Disease while being present in and around the children's program are risks that cannot be eliminated. If infected with Communicable Disease, I acknowledge and understand that I/my Child may subsequently infect others, even if I/my Child don't experience or display any symptoms.

In connection with the foregoing, I agree that I/my Child will not present in or around the children's program if, within the preceding fourteen (14) days, I/my Child (i) tested positive or presumptively positive for Communicable Disease or was identified as a potential carrier of Communicable Disease, (ii) experienced any symptoms commonly associated with Communicable Disease, including, without limitation, fever, cough, loss of sense of taste or smell, or shortness of breath; (iii) traveled to a country that is subject to a U.S. State Department Level 4 "Do Not Travel" Advisory or a CDC Level 3 Travel Health Notice (each, a "**Prohibited Country**"); (iv) was in direct contact with or the immediate vicinity of any person who is either confirmed or suspected of being infected with Communicable Disease or who has travelled to a Prohibited Country within fourteen (14) days preceding my/my Child's encounter with such person; and/or (v) have been advised, directly or indirectly, or pursuant to any local government recommendation or order, to quarantine or to otherwise avoid contact with individual outside my/my Child's household. I further agree that I/my Child will submit to any health screening and/or Communicable Disease testing that may be required as a condition of my/my Child's presence in or around the children's program.
