

Virtual Poster Upload Using OASIS

Neuroscience 2025

Getting Started

- Follow the link provided directly to the Presentation Upload Site, or access from your OASIS home page portal.
- Click “Expand uploads” to get started with the upload process.

**Images displayed are examples. Dates and deadlines will be different for 2025.*

Upload Your Poster PDF (Required)

SfN 2024 Margaret Donahue

SfN2024 Abstract Submissions Session Proposals Tasks

Welcome to the Neuroscience 2024 Virtual Poster Presentation Upload Site.

Upload Deadline: Wednesday, September 25, 2024 @ 5 PM ET

Please follow these steps to upload your presentation material. Click on each file type below to upload your PDF (required) and video (optional). If the upload is successful, the status will indicate "Processing" or "Complete". After the upload is complete, click the eye icon to review. If you need to replace a file, delete the current upload first by using the trashcan icon.

Preparing Your Presentation:

Read the [Navigating the World of Virtual Poster Presentations in Neuroscience](#) article on Neuronline for guidance on preparing a virtual poster.

Upload your presentation:

- Poster PDF (Required):** This will be the primary visual when someone clicks into your poster. Upload a single or multipage PDF slides representing the poster. This must include the study's introduction, experimental design, analytical methods, conclusions, and acknowledgements of funding sources. The file should be **less than 2GB**. [Download a sample PDF](#) or see various poster formats in this [how to make and present a poster webinar](#).
- MP4 video file (Optional):** The presentation should be 5 minutes or less explaining the poster's key points. The video file size should be **less than 2GB**. The video will be automatically transcribed. Captions cannot be edited. If you prefer to edit your captions, please submit a video with permanent captions already incorporated. After the system has processed your video, you can review the uploaded video. If you need to replace the file, delete the current upload first by using the trashcan icon. [View a sample poster video](#).

As a reminder, there is **no live requirement** for virtual poster presentation. Your poster will be available for all Neuroscience 2024 registrants from September 26 – November 11, 2024 at 9am EST. During this time, meeting registrants can view your poster materials and leave questions or comments.

Please email program@sfn.org with any questions.
