

FAST, CONVENIENT... TAKE METRA
 SfN HAS CONTRACTED WITH METRA TO PROVIDE ADDITIONAL TRAIN SERVICE FOR NEUROSCIENCE 2015.

Neuroscience
2015

SOCIETY for
NEUROSCIENCE

KEEP FOR FUTURE REFERENCE
 Daily Metra schedule on the back.

STATION INFORMATION

McCormick Place Station is located adjacent to Level 2.5 in the South Building below the Grand Concourse, and stairway/elevator access is available to the train platform. At McCormick Place, board trains to downtown Chicago on left side (as you descend stairs or exit elevator). Millennium Station is often referred to as the Randolph Street Station and is below ground on Michigan Avenue with entrances at South Water Street and Randolph Street. Street level access to the station is on Michigan Avenue at the southwest corner at Randolph Street. The indoor access to the Hyatt Regency Chicago, Fairmont and the Swissôtel via the South Water Street exit, is through the Illinois Center. Van Buren Street Station is below ground on Michigan Avenue with entrances at Jackson and Van Buren Street. Street level access to the station is on Michigan Avenue at the northeast, northwest, and southwest corners at Van Buren Street.

GET YOUR FREE METRA TRAIN PASS

Free Metra passes are available to all attendees for unlimited rides between McCormick Place and the downtown Millennium, Van Buren Street, or Museum Campus stations. This pass or your Neuroscience 2015 badge must be displayed to gate agents and conductors when boarding. Passes are available at the Metra desk on Level 2.5 and at SfN Information Booths while supplies last.

Chicago Transportation Options

Chicago is ready to welcome Neuroscience 2015, and SfN has made navigating Chicago a breeze! Whether you choose to hop on Metra or the world-famous elevated "L" train system, take the dedicated SfN shuttle bus directly from your hotel, or grab a taxi, McCormick Place Convention Center is a quick trip.

METRA – FASTEST OPTION AND FREE TO DOWNTOWN HOTELS

Metra, Chicago's commuter train system, runs from downtown and stops directly in the convention center on Level 2.5. Metra stations are within walking distance to 60 percent of the meeting hotel rooms. SfN has contracted with Metra to provide additional train service for Neuroscience 2015. Free Metra passes are available to all attendees for unlimited rides between McCormick Place and the downtown Millennium, Van Buren Street, and Museum Campus stations. This pass or an SfN-Neuroscience 2015 badge must be displayed to gate agents and conductors when boarding. Passes and schedules are available at the Metra desk on Level 2.5 and at SfN Information Booths. Trains operate on a fixed schedule, with frequent service during peak am and pm times. Please see the back page for more information.

CTA

The CTA, Chicago's light rail system known as the "L," provides service throughout the city and to O'Hare and Midway airports and is convenient to many of the meeting hotels. SfN will run a complimentary shuttle from the Roosevelt Road station (on the Red, Orange and Green lines) to McCormick Place during regular shuttle hours.

SfN SHUTTLE SERVICE

With shuttle bus service operating every 10 minutes during peak times and 20 minutes during off peak times, you can conveniently travel between your official SfN meeting hotel and the convention center. For Neuroscience 2015, SfN offers a shuttle fleet with 105 buses dedicated to your travel. With the exception of the Hyatt Regency McCormick Place, adjacent to the convention center, shuttle service is available at all of the official SfN meeting hotels. In addition, because of Chicago's commitment to successful large meetings, shuttles operate on a dedicated traffic-free "busway" from downtown to the convention center.

TAXIS

With more than 6,500 vehicles, Chicago has the second largest taxi fleet in the country. Discounted shared rides are available between McCormick Place and downtown. This program allows up to four passengers to share a taxi for a flat fare per person. Each passenger can be dropped off at a different destination. The program covers hotels, restaurants, and other attractions within these downtown boundaries: Roosevelt Road on the south, North Avenue on the north, Halsted Street on the west, and Lake Michigan on the east. Shared rides are available throughout the conference. In addition, a taxi dispatch center is located in McCormick Place to ensure cabs are readily available to meet demand.

HOTELS

The Society's housing company, Convention Management Resources, will be on-site to assist with any housing questions during the meeting. Representatives will be located in McCormick Place, South Hall A, Oct. 17–21 during the following hours:

Friday, Oct. 16	2-5 p.m.
Saturday, Oct. 17	7:30 a.m.-5 p.m.
Sunday, Oct. 18	7:30 a.m.-5 p.m.
Monday, Oct. 19	7:30 a.m.-5 p.m.
Tuesday, Oct. 20	7:30 a.m.-5 p.m.
Wednesday, Oct. 21	7:30 a.m.-3 p.m.

On-site phone: (312) 791-6745

HOTEL LIST

For travel between meeting hotels and McCormick Place, Neuroscience 2015 attendees have several options.

Hotel Name Location	Shuttle Route	Pick Up Point	Transportation Stop/Line/Distance
Co-Headquarters Hotels			
Fairmont Chicago, Millennium Park 200 North Columbus Dr.	D	Curbside on Columbus Drive	CTA — State & Lake/Orange/4 blocks Metra — Millennium/Electric/3 blocks
